Hi Jeff-

I was out on Friday so did not see your message until today. We would like to still have a conversation with you this week.

Jonathan,

In light of the recent developments in this case—of which you seem to be already aware—Deputy Commissioner Greg Young and I were hoping to have a quick, informal call with you this afternoon to get some sense of where this case may be heading. As you know, we have a response to the investigation issues due on July 26, so we're hoping to get some clarity on that.

Please advise on whether you would be available to speak this afternoon.

Thanks,

Department of  
Environment &  
Conservation

**Subject:** [EXTERNAL] 03R-21-R4 TDEC Call

Today we had a call with the complainants who filed this complaint. In light of some items that were raised to us in our initial conversation with complainants today, I am sending a cancellation for the meeting we had originally set up for July 12. We will still want to hold a meeting, however, sometime the following week now seems more appropriate, as we will want to circle back both internally and with you on them.

Best Regards,

Jonathan M. Stein
